

## Animal Welfare Assurance for Foreign Institutions

Name of Institution: University of KwaZulu-Natal

Address: (street, city, state, country, postal code)

University Road, Chiltern Hills  
Westville, 3629, KwaZulu-Natal, South Africa

This Institution agrees to comply with the Public Health Service (PHS) Policy on Humane Care and Use of Laboratory Animals ([Policy](#)), or provide evidence that acceptable standards for the humane care and use of the animals in PHS-conducted or supported activities will be met.

### I. Applicability

This Animal Welfare Assurance for Foreign Institutions (Foreign Assurance) is applicable to all research, research training, and biological testing activities involving live, vertebrate animals supported by the PHS and conducted at this Institution, or at another Institution as a consequence of the sub-granting or subcontracting of a PHS-supported activity by this Institution. *[List all entities, such as hospitals, separate institutes or centers that will be covered by this Foreign Assurance] (must complete this section)*

- University of KwaZulu-Natal
- KwaZulu-Natal Research Institute for TB-HIV (K-RITH), trading as, Africa Health Research Institute (AHRI)

### II. Institutional Commitment

This Institution is guided by the [International Guiding Principles for Biomedical Research Involving Animals](#) (PDF). This Institution will comply with all applicable provisions of the following laws, regulations, and policies governing the care and use of laboratory animals. *[List titles in English of all governing laws, regulations, and policies for your jurisdiction] (must complete this section)*

- Animal Research Ethics Committee - Policy, Standard Operating Procedures, Terms of Reference and Guidelines
- National Department of Health Ethics Review Board certificates
- South African National Standard- The care and use of animals for scientific purposes, SAN 10386.2008
- Animal Protection Act No. 71 of 1962

This Institution acknowledges and accepts responsibility for the care and use of animals involved in activities covered by this Foreign Assurance. As partial fulfillment of this responsibility, this Institution will make a reasonable effort to ensure that all individuals involved in the care and use of laboratory animals understand their individual and collective responsibilities for compliance with all applicable laws, regulations, and policies pertaining to animal care and use.
